

Traditional Maine Lobster Bake

Photo by Kate Crabtree Photography

Stone Cove Catering is proud to prepare fresh caught Maine lobster in a classic New England style bake. Layers of seaweed are wrapped around, your choice of steamers or mussels, New Harbor lobsters, roasted potatoes, sweet onions, fresh corn on the cob, and steamed until the egg timer tells us it's ready to serve!

Our lobsters are caught and prepared by Jason Lord, a second generation lobstermen who fishes out of New Harbor on his boat "Ava Lucille". Jason delivers your lobsters fresh from the dock and will charm your guests with stories of lobstering and the sea as he prepares your memorable meal.
